MASSAGE WORKSHOP

The secret to making others like you!

Learn NEW skills in the NEW YEAR!

Imagine giving a massage to make your friends, partner or family relax on your hands!! They will love and admire you for this extraordinary skill. You will really feel appreciated and be proud to play an important role in their lives. By participating in this short massage course you can learn basic massage techniques in a fun and engaging way. This is also a great opportunity for you to explore a new career opportunity while learning new skills in a very short time.

What will you learn from this one day massage workshop?

✓ How to give a basic relaxation massage.
✓ How to give a shoulder, neck and back massage.
✓ Basic stretching techniques to increase circulation, as well as relax and strengthen joints simultaneously.
✓ Various massage techniques available and which one to choose to get the best outcome.
✓ The opportunity to explore massage as a career option!
